

Winter Weather Policy

NHAIA does not cancel classes except on rare occasions. Because weather conditions are different across the State, we encourage you to use your own best judgment in deciding to drive to class.

If you choose not to attend due to the weather, please call our office as early as possible the day of the class to let us know. If we aren't here, please leave a message.

We know you have to plan your day so the decision to cancel, or delay the start of the program, will be made before 9:00 pm the day before your class. Simply call the office to hear the recorded message. If there is no message about your class it will begin as scheduled.

If you have any questions please don't hesitate to reach out to us. Thank you!
